Notes

* You will have break 10.20-10.35am (your maths teacher will dismiss you 5 minutes early), the exam will be 10.35-12.05 (you will go to English 5 minutes late).

Students with extra time can stay in the hall after other students have been dismissed. This is exactly what will happen for the real GCSEs. We encourage students to use this time.

Students who are entitled to a 'reader' will have a reader pen on their exam table (please use it!) but bring your own headphones if at all possible. Students who are entitled to a laptop will have a laptop on/near their exam table. We encourage students to discuss with their teacher whether this will be helpful.
