I (insert name) have requested that Cleveland Police use the property marking tool (DotPeen) to mark identification details on my property that I will register that fact on IMMOBILISE. I consent to this being done and I understand it is for the purposes of crime prevention and detection.

I understand that this will cause a permanent mark on my property and I agree that I will not make any claim against Cleveland Police for any damage, howsoever caused to my property as a result of this process by Cleveland Police
