Dear Year 6 Parent/Carer

### **Year 7 Uniform measuring and issuing arrangements – Summer 2017**

Following on from the Year 6 Transition Information Evening yesterday, I thought I would write to give a little more detail about the uniform issuing arrangements for Year 6 > Year 7 over the next couple of months.

Trutex have come in today to measure students. We have provided each child with a photocopy of the measurements form, to take home. This will allow you to order additional/spare uniform from either the Trutex website [www.trutexdirect.com](http://www.trutexdirect.com) or from Bambini's of Guisborough. However, it would probably be worth waiting until your free bundle of uniform arrives, so you are happy with the fit before ordering more.

**Uniform will be available for the main collection from the school on Thursday 17 August between 9.00am – 3.00pm** and Trutex representatives will be on site to help with any sizing/fitting issues. They will also have limited stock for 'swaps' where there are any sizing problems.

For parents who can't make this date due to holidays, **uniform will also be available for collection on Results Day Thursday 24 August 11.00am – 3.00pm** although please note that Trutex representatives will not be present, so checking sizes on site etc will not be possible.

There will also be the opportunity to collect the uniform on the PD Day **Monday 4 September 8.30am – 2.00pm** although once again Trutex representatives will not be present.

Uniform that will be provided free to Year 7 is: **blazer, tie, shirt x 2, a pair trousers or skirt**. Please purchase your own black socks, and black shoes that are capable of being polished (so no suede, canvas, rubber, black trainers etc) In terms of PE kit we will provide: **academy polo shirt, academy rugby top, black shorts, black PE socks**. Please purchase football boots.
