What is enrichment?

Although formal lessons end at 2.30pm, the Academy day does not. Students are able to choose from a fantastic range of after-school enrichment activities and clubs, both academic and non-academic. Sessions are typically 2.30 – 3.30pm, although some go on longer than this.

There are over 50 enrichments and clubs to choose from each week, mostly running from Mondays – Fridays, although only a couple run on a Tuesday (due to staff training after school). The majority of sessions are run by staff volunteers.

Enrichment is overseen by Mrs Smith, who is always happy to help.

Why attend enrichment?

There are two main reasons to attend the after-school activities on offer. Firstly, catch up sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then catch up sessions will provide you with one to one tuition from a range of staff in different departments. Secondly, enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. Enhancing your personal attributes by opting to gain new experiences is extremely desirable to future employers and higher education providers.

Who can attend?

Everyone! Whatever year group you are in there are a huge range of after academy sessions to choose from. Some activities are specifically targeted at individual year groups or key stages and this information is provided in this booklet. Enrichments that are open to everyone provide great opportunities to make friends in other year groups.

What is available?

Whatever your needs or interests there are multiple activities to get involved with. The selection of activities are organised by day in alphabetical order. If there's an enrichment you would like to take part in that isn't currently offered, mention it to Mrs Smith.

What happens if an enrichment has to be cancelled?

Occasionally enrichment sessions may need to be cancelled, such as when there is bad weather. You will be made aware of this at the very first opportunity so that you can plan your journey home. A message is also placed on social media and where possible a text message will be sent to your parent/carer.
