Dear Parent/Carer

Catering Contribution request

Students have been creating some fantastic dishes in Catering lessons this year. Collectively, they have produced some amazing outcomes and we are thrilled to see such talent being nurtured to secure high quality dishes, demonstrating a very wide range of skills and techniques.

Due to the national rise in the cost of food over the last few years, and the nature of the fresh ingredients used in our more challenging recipes, contributions for Catering lessons will need to rise to £1 instead of 50p.

The contribution covers a percentage of the ingredients, but not always the total amount in a particular lesson. Some recipes include items that cost more than others, but over the course of the year, the values even out. The contribution is, as always, voluntary, but you will appreciate they are extremely important to ensure the very best quality lessons and teaching. If there is an issue with your child contributing, please can you email me as below or contact me by telephone.

I hope you can support us in this as your help allows us to continue to develop challenging recipes in order to expand student's life skills in the kitchen. We are determined to develop high level skills in our students at an earlier and earlier age and they are certainly rising to the challenge!

If you have any questions please do not hesitate to contact me via a.brown@bydales.outwood.com or on 01642 474000.

Yours faithfully

Andrea Brown
Head of Design Technology

Reply Slip 2018-2019 Catering

Student Name: Year: VMG:
