

12 September 2018

Dear Parent/Carer

### **KS4 Careers Fair**

To support our students and their parents/carers as they start to prepare to make important decisions about their future, we would like to invite you to this year's Careers Fair.

**Venue: Outwood Academy Bydales**

**Date: Wednesday 10 October 2018**

**Time: 5pm – 7pm**

The event will be attended by representatives from over 30 employers, training providers, apprenticeship providers, Sixth Forms, F.E Colleges and Universities who will be available throughout the evening to offer information, advice and guidance on post 16 opportunities. This has proven extremely beneficial and popular in the past.

Encouraging aspiration and ambition is an important factor in motivating young people to appreciate their time at secondary school. The choices which our young people make now are crucial to their job prospects for the future, and we have found they add additional inspiration to work hard to achieve the very best GCSE grades to meet entry requirements and provide a 'passport' to careers both at the end of school but also for into the future too.

We would encourage all year 9, 10 and 11 students and their parents/carers to attend this event so that students are able to start to make an informed decision regarding post-16 options and all the different opportunities available across Teesside and beyond!

We look forward to seeing you!

Yours faithfully

Dawn Glover  
LRC Manager

Andrew Wappat  
Principal
