Dear Parent/Carer

Y10 Employment and Mock Interview Day – Wednesday 19 June, 2019

On Wednesday 19 June 2019, all Year 10 students will have a collapsed timetable to take part in an employer engagement and mock interview day.

In the current economic climate we believe it is critical for students to develop both transferable and employability skills, and gain knowledge on what employers are looking for to help our young people prepare for the future.

Throughout the day, students will take part in presentations, employability group work sessions and prepare for and take part in a 'mock interview' with one of the 20 real life employers present, who will then provide students with constructive feedback.

The sessions will run from 8.25am, Students should register with their usual Period 1 teacher who will then escort the class to the Main Hall.

Please ask your child to check the time of their mock interview, which will be displayed in the LRC window, week commencing Monday 17 June.

We hope that this day will support students with planning and preparation for their future and give them the opportunity to engage with local and national employers.

Yours faithfully

Sarah Wing
LRC Manager
