

You matter most

24 June 19

Dear Parent/Carer

Cancer is preventable; protect your child against it!

The HPV vaccine is available for girls AND boys aged 12 -13

This is a 2 dose vaccine, given in autumn term 2019 and summer term 2020

Please visit the link below to consent for your child to receive their HPV vaccine. This consent must be completed by 19 July 2019 to ensure we can vaccinate your child in the autumn term.

You will be asked to enter a secure school code:

School Name: Outwood Academy Bydales

School code : 141399

www.hdfnhs.uk/electronic-consent

(Please note this form CAN be completed on smart phones and tablets)

If for any reason your child is absent from school on a vaccination day don't worry as we will return to school at a later date to complete the vaccinations (we may not inform you when this is going to be)

If you would like more details regarding the HPV vaccination please visit:

<https://www.nhs.uk/conditions/vaccinations/hpv-human-papillomavirus-vaccine>

We hope that the information provided addresses any concerns you or your child might have about the vaccination and that you will both feel confident that by having the HPV vaccine your child will be protecting themselves and others from a very serious disease later in life.

If you have any questions regarding this or do not have internet access or difficulty completing the form please contact us on: **03000 032554**

Yours faithfully

Karen Guest-Humphries
