

8 July 2019

Dear Parent/Carer

Maths Masters Regional Code Breaking Event 16 July 2019

We are thrilled that your child has been selected from hundreds of students as one of our academies' most gifted mathematicians to represent the Academy in our annual regional Maths Masters challenge. This event will be held at **Outwood Academy Acklam on Tuesday 16 July 2019**. This is our annual regional challenge where all the most gifted mathematicians from local Outwood Academies will get together to compete in a series of exciting challenges and introduce them to some wonderful mathematics.

The Maths Masters programme has been set up to enthuse, inspire and excite the most gifted mathematicians that we have within Outwood Grange Academies Trust. We want to ensure that these students are made fully aware of the STEM based careers that are available to them due to their special talent within our wonderful subject. This is the first of many exciting events that will continue throughout the next academic year. We aim to make students aware of all of the fantastic opportunities that mathematics can introduce students to, as well as all the exciting careers that are opened up through mathematics and to continue to inspire their love of maths.

Transport has been arranged, students should arrive at the academy at the usual time and will attend their first lesson. Students will depart the academy to arrive at **Outwood Academy Acklam** by 10am, returning to Outwood Academy Bydales at approximately 1pm. Students will be escorted by a member of staff from school during the trip. Lunch and refreshments will be provided throughout the day.

Please do not hesitate to contact me should you have any queries regarding this event on l.clewlow@bydales.outwood.com

To confirm your child's attendance please complete the consent form overleaf and return to **Mrs Charlton by Monday 10 July**

Yours faithfully

D. Charlton

Diane Charlton
Head of Maths
