Dear Parent/Carer

School Photographs – Tuesday 15 September 2020

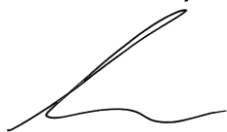

Our school photographers, Tempest, will be in school on Tuesday 15 September to take individual photographs of Year 7 and mid-year transfer students. Students will bring an order form home with them to enable parents to order prints if they wish to. Orders should be made online via www.tempest.co.uk however, if you struggle with online access, order forms and payments can be returned to school.

We understand that not everyone will want to purchase a school photograph: however, it is important that we have a photograph of your child on our management information system, so every student will have their photograph taken. This will not be used in any school publicity unless you have given consent.

The photographs will also be used should your child have applied for a cycle permit, or intends to in the future. We generally take official school photographs every couple of years during your child's time with us.

In line with Covid guidance, the students will be kept in their secure bubbles and social distancing will be applied to keep everyone safe. In addition, students will not be seated when they have their photo taken.

Yours faithfully

Alex House
Business Manager
