CareersInc

CareersInc, our commissioned external careers advisors, offer students high quality, independent and impartial careers, education information advice and guidance supporting them to make informed choices about which post-16 courses suit their academic needs and aspirations. All Year 11 students receive a 1:1 Careers meeting. Early intervention 1:1 interviews in Y9 and Y10 ensure students are tracked, monitored and supported to make a positive transition into Y11 and beyond.

Lunchtime Drop In

Once a month, colleges and training providers attend our lunchtime drop in session which allows students to discuss post 16 opportunities. College staff are recognisable and approachable due to consistently being in school.

Study Skills Sessions

Every second Tuesday, Tees Valley Collaborative Trust run Study Skills Enrichment Sessions after school on different Careers sectors for all students interested in that particular career area to attend.

Careers Enrichment

Students are able to attend the Careers Drop in after school every Tuesday to access information and support on CV writing, application form completion and to get any general careers questions answered.

Oxford and University Visit

15 Year 10 students have the opportunity to attend Oxbridge University Taster Days to gain an insight into what it would be like to study at Oxford or Cambridge.

Kings College Cambridge Visit

Kings College Cambridge Visit annually to share experience of University with our Y10 students.

Careers Box

Every VMG has a careers information box for easy access to CEIAG resources and information.

Assemblies

Throughout the year, employers and colleges deliver assemblies to year groups on careers and post 16 options to raise awareness of opportunities.

First Job Door Plates

Each member of staff has their 'First Job' on their classroom door to show their previous job roles, raising awareness and prompting discussions regarding CEIAG and career paths.

Careers and Employment Corner

Offers easy access to prospectuses and information for students to collect and browse.

Y10 Taster Days

Students have the opportunity to attend 3 local college taster sessions to 'taste' courses of interest and gain an insight into college life.

Y9 Pre Careers Meetings and Mentoring

Students receive intervention in Year 9 to discuss and explore potential careers interests.

LIFE

LIFE lessons in Y7 and Y8 include CEIAG input covering various topics such as skills and qualities, stereotyping.

VMG

All students receive weekly career notices and information through our VMG bulletin including Career of the Week. Students take part in VMG Careers Projects throughout the year and receive information on career opportunities and college open evenings.

National Careers and National Apprenticeship week

All year groups receive an assembly about careers of the future and options available to them.

Annual Careers Fair

Students access and discuss various pathways and carers routes with over 35 colleges, training providers, employers and Universities at our annual Careers Fair.

Careers Displays across school

We have careers display areas across school, i.e. Subjects linking to Careers as well as college pop up banners displayed in our dining hall.

Y10 Building My Skills Programme - ESH

Y10 currently have careers and employability sessions delivered across the year through the ESH Group - Building My Skills Programme. Students take part in interactive skills sessions, meet various different employers and complete employability tasks.

Y10 Mock Interviews

Y10 take part in an annual Mock Interview event where they are each interviewed by a real life employer, following applying and preparing for their chosen 'job'. The employer then provides constructive feedback.
